

Supermon2 “Logged In” and ‘Not Logged In” Header Text Customization

Add this line before text

```
<span style=\"color: #FFD700\">
```

And then this line after the text

```
</span>
```

My example line

```
// Welcome Message when not logged in
```

```
$WELCOME_MSG=\"<p style='margin-top:1em;'><center><b><span style=\"color: #FFD700\">Welcome to AllStar Local  
Area Simplex Node 58176 on 444.100 Mhz PL 100.0</span></b><br><br><span style=\"color: #00FFFF\">This is the TGIF  
DMR Bridge to TG 3143399 for the Ham Radio Crusader YouTube Channel<br>  
located at hamradiolife.org<br>www.YouTube.com/@HamRadioCrusader</center></p></span>\";
```

```
//
```

```
// Welcome message when logged in
```

```
$WELCOME_MSG_LOGGED=\"<p style='margin-top:1em;'><center><b><span style=\"color: #FFD700\">You are now
